Summary

Currently attending a full-stack development program at UPENN.

Skills

-
- Fast learner
 - Team player
 - Patient
 - Forklift operator
 - Walkie loader operator
 - HTML, CSS, JavaScript
 - VS Code
 - Github

Experience

HindlePower

- May 2022 - Sept 2023

Working machinery to make transformers to power up generators.

Fedex Ground

- July 2018 - February 2020

I was a shipping employee for FedEx. I wrapped the pallets that were created by package handlers and specialized in using forklifts to move every pallet to a dispatch door.

C&S Wholesale Grocers

- February 2020 - March 2020

I used a headset that told me where to select items which I would put in crates so that they may be shipped to the stores when they placed their orders.

Best Buy

- April 2020 - February 2021

I picked all the online orders and packed them to get them ready to be shipped. I also unloaded and loaded trucks and organized the inventory from the trucks.

Education

William Allen High School / Diploma

September 2012 - June 2016, 106 N 17th St, Allentown, PA 18102

McCann School of Business and Technology

March 2020 - June 2020, 2200 N Irving

My major was criminal justice.

University of Pennsylvania

May 2023 - Current

Learning Full-stack web development.
